How we calculate the fee

The costs are based on the type of activities (class evenings, parties) per calendar year and the number of students at your school. It doesn't matter how often you play music, or if the music is a central part of the activities or just background music.

However, we assume that the artist fees/buy-out for the performances do not exceed € 1,000. If so, our General Tariff applies. This tariff can be found on bumastemra.nl.
