

# Childcare

**IN CHILDCARE** – Toddlers dancing around or tiny tots quietly sleeping: music helps your little ones enjoy each moment of the day. You pay a fee to use this music. Read on for more information about the prices.

# How we calculate the fee

The costs are based on the number of registered children per calendar year. You always pay a fixed amount per 100 children - it doesn't matter if the music is the main part of the activity or if it's only played as background music.

## Please note!

Different rates apply for music use at primary schools or in the social care sector. Please request the relevant tariff.
