

Primary education

AT PRIMARY SCHOOL – Relaxing between lessons or as the backdrop for a brilliant show: music creates a great atmosphere. You pay a fee to use this music. Read more information about the costs [here](#).

How we calculate the fee

The costs are based on the number of activities per calendar year. It doesn't matter if the music is central to the activities or if it is only played in the background.

Please note!

Different rates apply for music use in secondary education or childcare. Please ask us for the relevant tariff.

Price per calendar year 2026
