

Circus performances

CIRCUS TENTS – What is a circus performance without music? It's a vital ingredient that has a great impact. You pay a fee to use music so that composers and songwriters can continue to make music.

How we calculate the fee

This rate only applies to a tent performance where several separate (classical) circus disciplines are performed by acrobats, clowns, trained animals and jugglers.

Please note!

For circuses that do not meet this description, the General Tariff applies.
